

InflammX

This formula supports systemic healing processes with tissue and metabolic inflammatory conditions.

Ecologically harvested herbal compounding formula containing *Boswellia Serrate*, *Yuca Root*, *Devils Claw Root*, *Hops Flowers*, *Fenugreek Seed*, *Hyssop Herb*, and *Ginger Root* that all have anti-inflammatory properties.

Our herbs in this concentrated formula come directly from their region of origin.

We process these herbs (6 lbs. of dried herbs per gallon) with a proprietary alcohol extraction method that releases all the nutrients, volatile oils & esters ensuring you a pure balanced product with maximum effectiveness.

Suggested Dosage:

1 serving, 2 times daily: 2 ML (2 droppers full) under the tongue for 2 minutes first thing in the morning on an empty stomach, 2 ML (2 droppers full) under the tongue 2 hours before dinner on an empty stomach.
